### DETAILED ACTION

Claims 1-12 are allowed.

1. The following is an examiner's statement of reasons for allowance:

The prior arts of record fails to teach cooling the molten low melting point metal material to a thixotropic semi-molten state in which liquid phases and solid phases coexist; forming a composite material by kneading the carbon nano material and the low melting point metal material the thixotropic state; injecting the composite material into a mold in the thixotropic state by a molding machine having heating means; and obtaining the composite metal product.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
